**STIFEL'S ED MOLDAVER NAMED ONE OF AMERICA'S TOP WEALTH ADVISORS**  
**Moldaver Ranks in Top 50 Among 250 Top-Performing Advisors**

**ST. LOUIS, September 19, 2018** – Stifel Financial Corp. (NYSE: SF) today announced that Ed Moldaver, Managing Director/Investments and founding partner of the Moldaver Paterson & Lee Group, ranked in the top 50 on *Forbes'* list of America's Top Wealth Advisors.<sup>1</sup> The list spotlights 250 top-performing advisors selected from a pool of 25,732 nominations. Advisors were nominated by their firms and then researched, interviewed, and assigned rankings.

“We are extremely honored and grateful that *Forbes* has recognized our practice on this year's America's Top Wealth Advisors list,” said Mr. Moldaver. “I believe our group's success is directly correlated to the quote, ‘great vision without great people is irrelevant,’ given by Jim Collins in his book *Good to Great*. By building a team of professionals, each specializing in his or her own separate and specific part of the wealth management process at a granular level, we have done just that.”

One of Stifel's leading wealth management teams, the Moldaver Paterson & Lee Group consists of nine investment professionals, with the most prominent being former New York Governor David A. Paterson. The team maintains a laser focus on the ultra-high-net-worth market, primarily serving business owners and entrepreneurs. Their wealth management process goes beyond investment planning to include wealth enhancement, transfer, and preservation strategies, as well as charitable gifting, which resonates with the unique needs of ultra-high-net-worth clients. The team also utilizes Stifel's preeminent middle-market investment bank, which specifically caters to their typical clients and not just Fortune 500 companies. “Stifel affords our team the ability to be plugged into a vast firm infrastructure, while maintaining the integrity and the independent client-driven process of the team,” Mr. Moldaver added.

In addition to this year's America's Top Wealth Advisors list, Mr. Moldaver has appeared in the following rankings:

- Barron's Top 100 Financial Advisors in America in 2018 (No. 29), 2017 (No. 30), and 2012 (No. 86)<sup>2</sup>
- Barron's America's Top 1,000 Advisors: 2012 State-by-State – No. 1 in the state of New Jersey<sup>3</sup>
- Forbes' 2018 Best-In-State Wealth Advisors – No. 15 in New York City<sup>4</sup>

Mr. Moldaver has contributed to and been featured in *The Wall Street Journal*, *Barron's*, Fox Business, *Crain's New York Business*, and dozens of other national publications and media outlets. He has also authored two books on investing.
